

WELCOME

Welcome to the How to Use Spices to Boost Health and Overcome Disease course I look forward to working with you over the next few weeks.

In this course, you will learn a proven method to promote health that has been used by hundreds of people around the world. This system works, if you work the system. Therefore, for best results, it is essential that you practice the content outlined in this course and handouts.

If you have any questions during the course, please know that I want to see you succeed. The preferred method for sharing your questions is to write a question on the Q&A section of this course and I will get back to you as soon as possible. I also will host live weekly Q&A sessions on my Facebook Group.

I created a private Facebook group for this program named **Multidimensional Healing**. Please join the group, since you can reach me here daily for questions and you will also be able to have the support of others during your journey to health. You will find the group under my FaceBook Page or use this link to the Group

<https://www.facebook.com/groups/2126581134083756/>

I hope that you will enjoy this course, and I look forward to having you in the class.

Toni

TERMS OF USE

All of my programs are intended to help you share your passion, live a happier life and become the version of yourself you deserve to be. As stipulated by law, we can not and do not make any guarantees about your ability to get results with my ideas, information, tools or strategies. After all, it takes hard work to improve health. In fact, it takes hard work to succeed at ANYTHING in life! Your results in life are up to you and the amount of effort and resources that you are willing to put into succeeding. I just want to help you by giving you amazing content, tips, direction and strategies that help you move forward. Nothing on this course or any of my sites is a promise or guarantee of results, and I do not offer any legal, tax, medical or other professional or similar advice. In fact, the average person that purchases this and other programs never puts the work into implementing the strategies taught and therefore achieves little or no results. My more detailed disclaimer, privacy policy and terms for this program and website can be accessed on my website www.drToniCamacho.com It's all the regular legal jargon and nothing to be intimidated by, but I believe in transparency and maintaining a high standard of integrity and want you to feel good about this purchase! I'm so excited to work with you!

REFUND POLICY

My mission is to help you create amazing life. You can participate in How to Use Spices to Boost Health and Overcome Disease course (the "Program") and if you complete the assigned work and don't feel as though you've received the value you were looking for, I will happily refund the money you have paid me subject to the following conditions:

Deadline to apply for a Refund. To be eligible for the refund, you must submit you request, as well as proof of the assigned work no later than 2 weeks (14 days) from the time of purchase.

Company Discretion. After submission of the completed coursework and refund request, it is within the Company's sole discretion as to whether to grant or deny the refund request.
